

9 Video Careers to Make Thousands Per Month with Just Your Pocket Cam and IDOLCAM 4X Stabilizer

Once you combine your pocket cam (Osmo Pocket, iPhone, GoPro, Insta360, Android) with our IDOLCAM 4X stabilizer, you'll have the power of a Steadicam and gliding video at your fingertips. 🎬 Why let this amazing tool go to waste? Here are **9 easy ways to turn your skills into cash**—so you can upgrade your video gear or put your talent to great use! 💰

- 1 **Real Estate Walkthroughs** 🏠 Call up real estate agents in your area and offer property walkthrough video services. These gigs typically pay **\$250–\$1,500 per session**, depending on the size of the property and whether editing is needed. Once you build connections with a few agents, the work can flow in regularly!
- 2 **Second Shooter for Events** 🎉 Reach out to event and wedding photographers or videographers and offer your services as a second shooter for B-roll footage. 👤 With the ability to capture discreet, professional-quality, flowing videos, you'll be in demand. Expect to earn **\$100–\$300 per hour** for these gigs.
- 3 **Business Facility Tours** 🗺️ Walk into restaurants, shops, and local businesses to offer professional video tours of their facilities. These videos can be used on their websites and for marketing purposes. 📣 Rates usually range from **\$300–\$1,000 per project**.

④ **Start a Walking Tour YouTube Channel** 🌍 If you travel frequently or enjoy adventures, use your stabilizer to create smooth, cinematic walking tours for YouTube. When done right, these channels can generate significant revenue through ads and sponsorships ✨

⑤ **Social Media Ads for Small Businesses** 🛍️ Help local shops, cafes, and boutiques create short, eye-catching promotional videos for Instagram, TikTok, and Facebook. 📱 These businesses often lack the tools for high-quality production and will pay **\$200–\$1,000 per project** for your services.

⑥ **Airbnb Property Videos** 🏠 Approach Airbnb hosts and offer walkthrough videos to help their listings stand out. ✨ High-quality visuals can boost their bookings, and you can charge **\$200–\$1,000 per property**, depending on the size and complexity.

⑦ **Fitness and Training Videos** 🏋️ Partner with fitness coaches or personal trainers to capture smooth, dynamic workout footage. 💪 They'll use your videos to promote classes, online programs, or their brand on social media. These gigs typically pay **\$100–\$500 per session**.

⑧ **School Events or Sports Team Videos** ⚽ Offer your services to local schools or sports teams for filming recitals, games, and events. 🎓 Parents and teams love having high-quality footage to share or keep as memories. You can charge **\$200–\$800 per event** depending on the duration and editing required.

9 **Travel and Adventure Content for Hire** ✈️ When traveling, offer to create immersive, steady footage for travelers, tourism agencies, or excursion companies. 🌄 You can charge for full-trip documentation or per activity, with rates ranging from **\$300–\$1,200 per project**.

With your pocket cam and the IDOLCAM 4X stabilizer, turning your creativity into profit has never been easier! 🌟 Start small, build connections, and watch the opportunities roll in. Let your talent pay for your passion! 🧳
